Location Plan
Scale: 1:2500

- General Notes
1. This drawing shall not be scaled, figured dimensions only to be used.
 2. All dimensions are shown in 'mm' unless otherwise stated.
 3. The contractor, sub-contractors and suppliers must verify all dimensions on site prior to the commencement of any work.
 4. This drawing is to be read in conjunction with all relevant engineers and specialist sub-contractors drawings and specifications.
 5. Any discrepancies are to be brought to the designers attention.

- All structural elements are to be designed by clients structural engineer where required
- All dimensions are to brick openings/courses.
- All kitchens and utilities are shown indicatively and are to be detailed separately in conjunction with client's kitchen manufacturer.
- Electrical positions and sizes are indicative only and are to be designed by clients Mechanical & Electrical contractor ensuring furniture layouts can be achieved.
- The new Finished Floor Level of the dwellings are to be raised 250mm above existing ground level as detailed in Geoff Beel's Flood Risk Assessment

DESIGNERS RISK ASSESSMENT
A designers risk assessment has been carried out for this development. Swann Edwards Architecture Limited do not consider there to be any significant risks to advise.

ELEVATION KEY

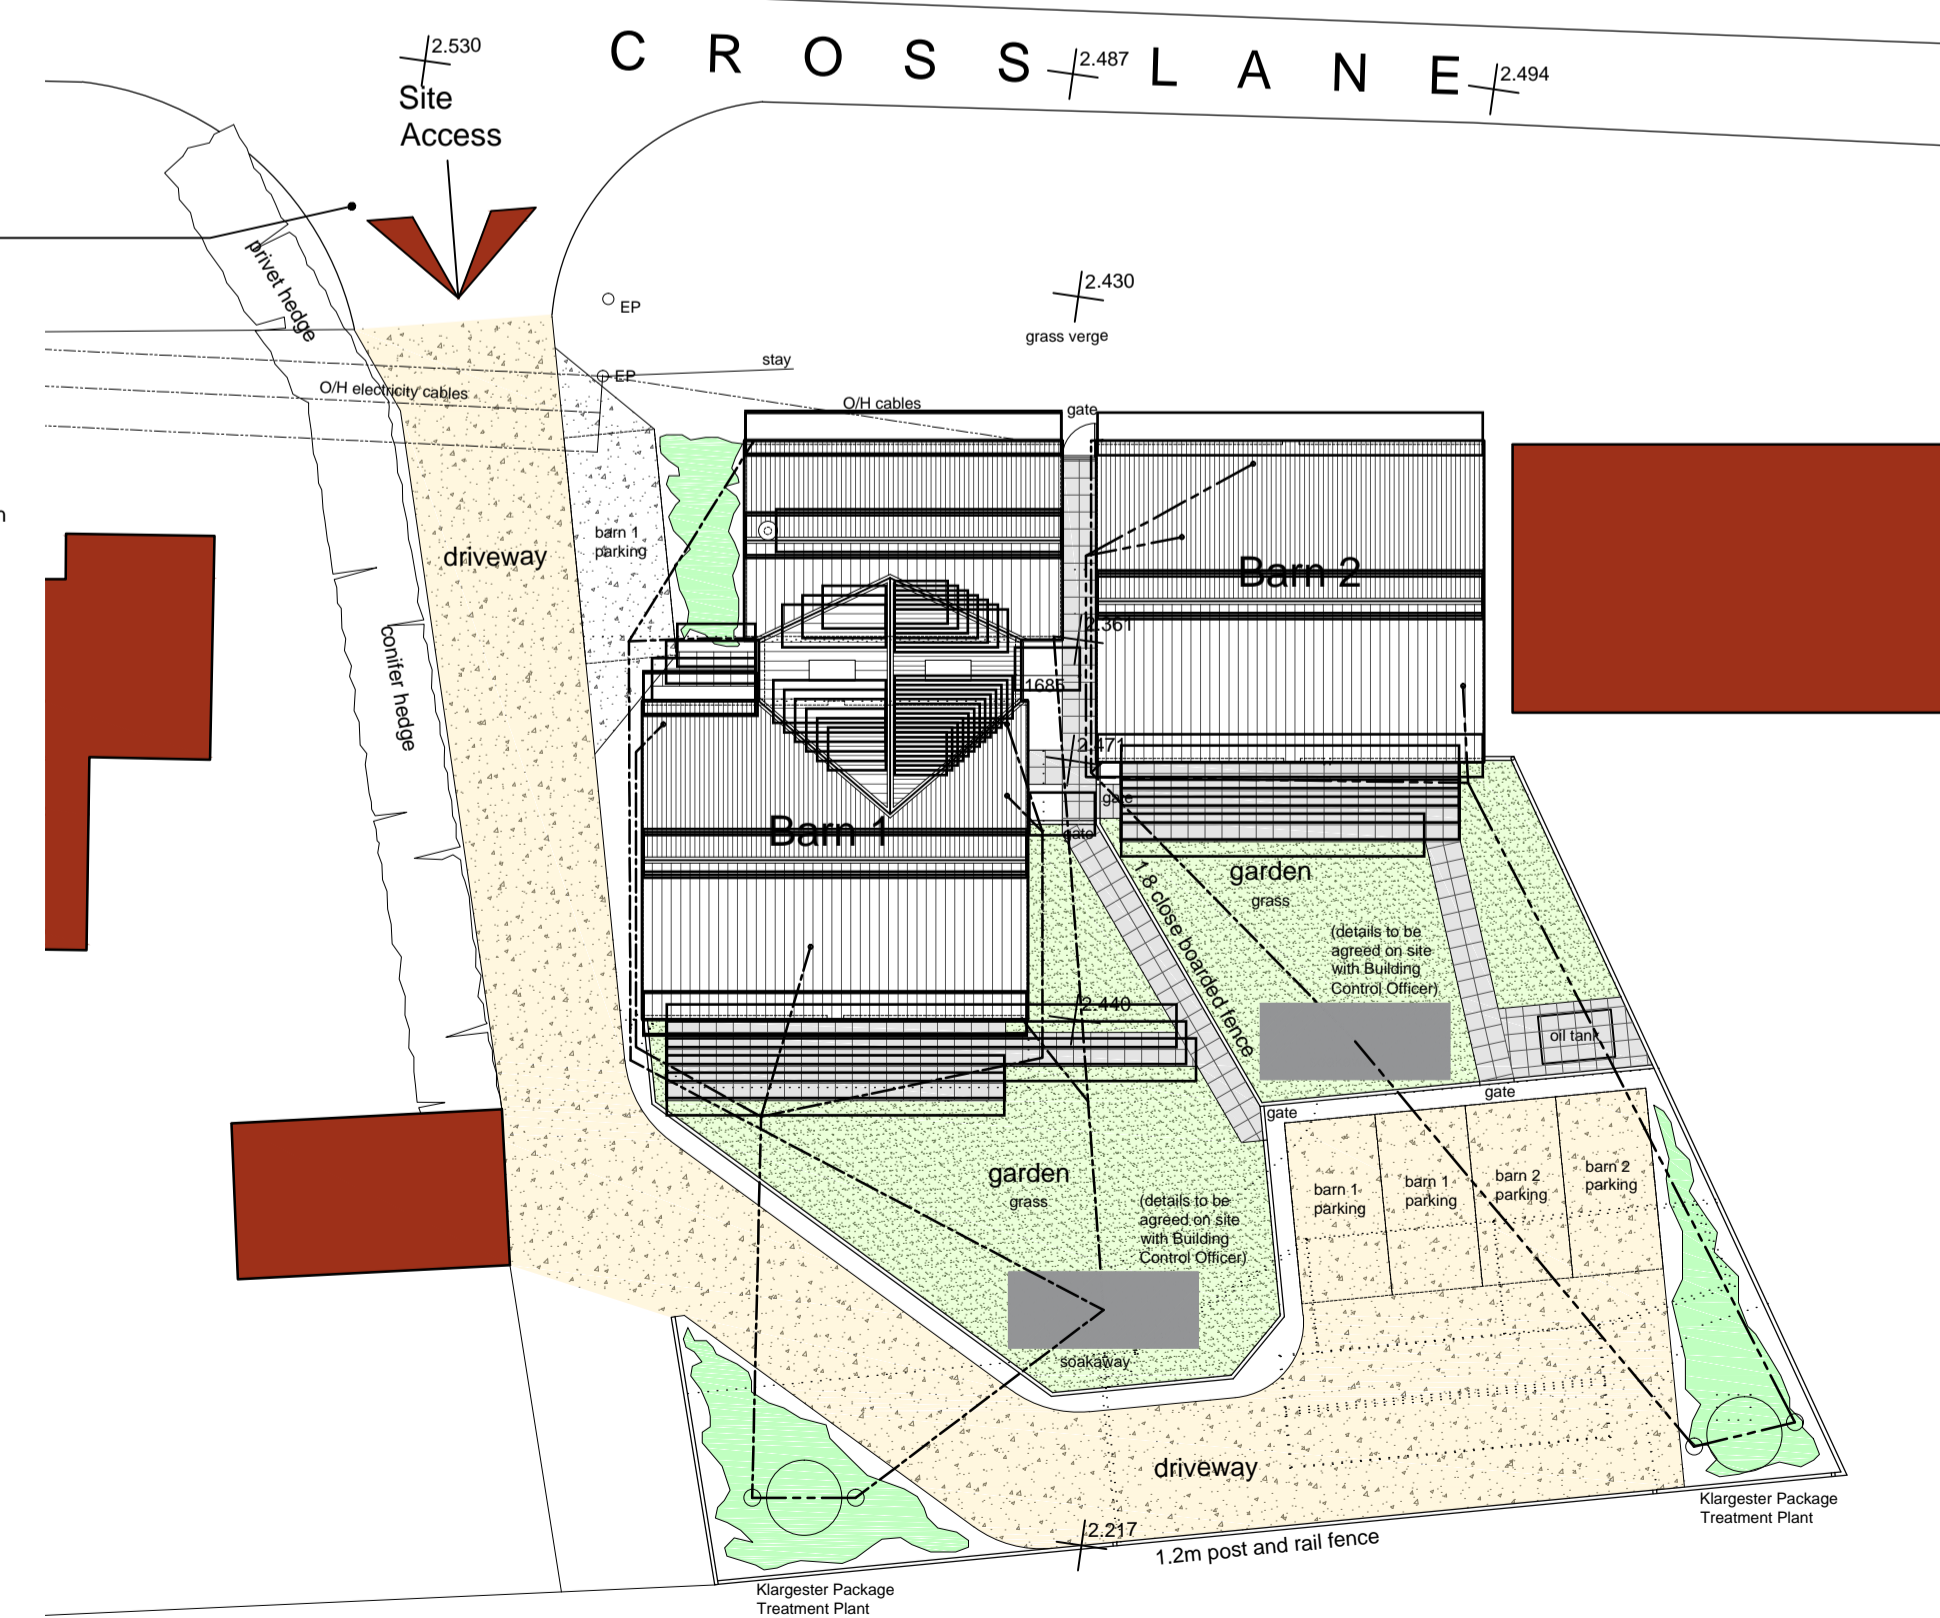

SITE PLAN KEY
